## OUR NOBLE CAUSE

Albertans live in housing that honours their dignity, serves their needs and inspires purpose in their chosen community.

### **Snapshot of ASCHA's Membership**

ASCHA represents over 100 Seniors & Community Housing Providers in communities across the Province who collectively represent over 22,000+ employees who serve over 60,000 Albertans.

### **Housing advocacy matters**

To meet Alberta's current and future housing and support needs, we need all levels of government to prioritize housing issues and strategies. We need the participation of all stakeholders.
