Dear James Nibourg:

Thank you for your letter regarding Alberta Seniors & Community Housing Association's (ASCHA) recommendations to improve the Affordable Housing Partnership Program (AHPP). As Minister of Seniors, Community and Social Services, I welcome the opportunity to respond.

We are currently reviewing ASCHA's recommendations to determine which ones may be incorporated to support the enhancement of the AHPP. As intake three is expected to open in the coming weeks, these suggestions will be considered for implementation for intake four, expected for fall 2025.

The department has a long history of collaboration with your organization. ASCHA has been a key partner in helping us deliver affordable housing to Albertans in need. We greatly value your perspective and the service you provide to ensure individual housing providers have the resources and supports they need to serve Albertans.

We also appreciate ASCHA's support of our long-term strategy to address affordable housing through the implementation of *Stronger Foundations: Alberta's 10-year strategy to improve and expand affordable housing*. Together, we can ensure Albertans in all communities have access to safe, secure and stable housing.

I look forward to continuing a collaborative working relationship with you and your colleagues. Thank you again for your hard work and cooperative spirit in providing housing to Albertans in need.

Sincerely,

Honourable Jason Nixon
Minister of Seniors, Community and Social Services
