We are delighted to announce that ASCHA and RDP have partnered with StrongerU Senior Fitness to offer our member organizations education, tools, and resources so that their employees can deliver high-quality, dynamic, and effective fitness experiences to the residents they serve. The primary target audience of this program is organizations' Activity and Wellness departments. For more information.

All ASCHA Members receive \$66 off the training fee. [Contact us](#) for details.

ASCHA's 2024 Home for Housing Convention

We offer up to 24 interactive educational breakout sessions for housing leaders, boards, management, and direct support staff. To ensure participants receive as many tools as possible to best meet their own personal or organizational needs, sessions have been selected to specifically target ASCHA Member-identified topics for learning and development.

Under the strategic priority of Member Engagement, we provide opportunities for member engagement and support a high level of performance. Through connections, knowledge, expertise, research, and program development, we advance member knowledge by providing access to integrated platforms for operational and industry resources, as well as best practices, that support member education and service excellence. We deliver this education newsletter twice a year to notify our members of current educational offerings, integrated operational resources, and other education-related initiatives.
