While the most significant impact will be on supportive living providers, the Government of Alberta’s new Continuing Care Act will impact all providers in the sector, regardless of the services offered. As providers, you hold the wisdom and experience on what works operationally. There are learnings to be shared as we connect on key sector-related issues. The diversity that operators and individuals bring to the table can inform us as we identify blind spots and utilize opportunities to lead the way to informed/improved practices. 	<ul style="list-style-type: none"> • Engage with government representatives to address and clarify policy and operational processes
